Polyurethane Tubing Series TIUB & TU

SMC Offers a Rainbow of Tubing Types, Colors, Sizes and Lengths

Polyurethane has 8 Quick Ship colors, equalling 336 part numbers, stocked on the shelf and ready to ship in all available sizes and lengths. There are 21 additional standard colors to suit special needs. SMC offers 11 additional tubing types and materials to cover nearly any application. See the product catalogs referenced below.

**Consult your SMC representative for any special color or length requirements, subject to minimum order quantity.*

SMC's Quick Ship Program - "get what you need when you need it"

SMC is committed to satisfying customer needs by offering a wide range of colors, sizes and lengths in both inch and metric configurations. The 8 most commonly used colors are stocked on the shelf and ready to ship in all available sizes and lengths.

SMC Polyurethane Tubing Stands the Test of Time

SMC uses Polyether type resin, the highest quality available, to insure the longest possible tube life. There are two resins that are generally used to make Polyurethane, Polyether and Polyester. SMC has chosen Polyether resin because of its immunity to hydrolysis.

hy·drol·y·sis [hīdróləssiss] *noun*

reaction with water: a chemical reaction in which a compound reacts with water, causing decomposition and the production of two or more other compounds, for example, the conversion of starch to glucose

SMC Offers the Highest Dimensional Accuracy

SMC's high quality manufacturing integrity assures that connection leaks are not due to tubing dimension irregularities.

- ✓ Continuous laser inspection of OD during production
- ✓ Continuous monitoring of wall thickness

Other Standard SMC Tubing Products:

Catalog N500

Series TU & TIUB	<i>Polyurethane Tubing</i>
Series TUS	<i>Soft Polyurethane Tubing</i>
Series TCU	<i>Polyurethane Coiled Tubing</i>
Series TFU	<i>Flat Polyurethane Tubing</i>
Series T & TIA	<i>Nylon Tubing</i>
Series TS & TISA	<i>Soft Nylon Tubing</i>
Series TIRS & TRS	<i>Flame Resistant Soft Nylon Tubing</i>
Series TRB	<i>Flame Resistant Layer Tubing</i>
Series TA	<i>Anti-Static Tubing</i>

Catalog N501

Series TUH	<i>Hard Polyurethane Tubing</i>
Catalog ES50-17	
Series TPH & TPS	<i>Polyolefin Tubing</i>
Catalog ES70-17	
Series TL & TIL	<i>High Purity Fluoropolymer</i>

SMC Goes To Great Lengths

- ✓ Standard stocked lengths at 66ft, 100ft, 500ft, 1000ft, and 1640ft.
- ✓ Other lengths available based on minimum order quantity

SMC Tubing Accessories

- ✓ TK-1 Tube Cutter (Tubing 13mm or less)
- ✓ TK-2 Tube Cutter (Tubing 18mm or less)
- ✓ TK-3 Tube Cutter (Low Cost)
- ✓ TG-1 Tube Release Tool (ø4, ø6mm tube)
- ✓ TG-2 Tube Release Tool (ø1/8", ø1/4" tube)

SMC Offers a Rainbow of "Standard" color choices

TIUB 05 BU 33

Polyurethane Tubing

Size

Symbol	Tube size
01	1/8"
